Dear Steve:

It is with great pleasure that I am writing to officially notify you that Edward Ferrell/Lewis Mittman has been selected as the recipient of the 2013 BEST: Made in America award. The award will be presented in recognition of your company's commitment to production of the finest hand crafted furniture in the United States of America and for your commitment to American workers. Your efforts represent a singular and significant contribution to our Nation for which the company is to be commended.

From April 20, through June 16, 2013, we are sponsoring the All American House at Historic Woodlawn in cooperation with the National Trust for Historic Preservation. This ground breaking project will showcase exclusively products of MADE: In America award winners. It is therefore the ideal site to present the awards which will take place in late May or early June.

Again, congratulations and I will keep you updated on events at Woodlawn. Meanwhile, please feel free to contact me by phone at 202.543.1573 or at my personal email account jamesdelorbe@yahoo.com

Sincerely,

James De Lorbe
